Omelette Recipe

Ingredients

- 3 Eggs
- Salt and Pepper (to taste)
- Butter or Oil (for frying)
- Grated cheese (optional)
- Mixed herbs (optional)

Method

1. **Beat the Eggs:** In a bowl or jug, mix the eggs with salt, pepper, and herbs if desired.
2. **Prepare the Pan:** Heat some butter (or oil) in a reasonably large frying pan over medium heat.
3. **Cook the Eggs:** Pour the egg mixture into the pan slowly, swirling the pan a little to spread the mixture evenly.
4. **Let it Firm Up:** After about 30 seconds, the top should begin to firm up. If you like, add grated cheese at this point.
5. **Fold the Omelette:** Once the cheese starts to melt or the bottom is nicely cooked, fold the omelette in half with a spatula.
6. **Serve:** If the omelette is cooked on the bottom, it's ready to serve. If not, continue cooking on each side a little more.

Enjoy your omelette!
